

SEE HOW

REBORN

IS CHANGING LIVES ON FORMED

"This series helped renew my confidence in the Catholic Faith, and to recognize our belonging to the Body of Christ and the Communion of Saints. For Catholics who are being catechized in the basics, as well as for Catholics already formed in their knowledge of the sacrament, this series is solid, honest, and true. The videos are graced by the light wings of the Holy Spirit to stir up our love of new life, one another, and our promises to God."

—Deborah, CA

"Very informative and interesting. This is absolutely a beautiful series to watch."

—Nancy, NY

ALL WHO ARE
GOING TO BE
BAPTIZED OR HAVE
THEIR CHILDREN
BAPTIZED SHOULD
WATCH THIS ENTIRE
SERIES FIRST!

"I always learn so much about the Church through these videos. All of my Catholic sisters and brothers who are going to be baptized or have their children baptized should watch this entire series first!"

—Ramona, NY

"This presentation offered great ideas on practical ways parents can help to train and love their children."

—Mikkel

"Very well done!"

—Norm, MS

"This covered all of my questions and really touched my heart. Watching all three video sessions has made me understand the true meaning of Baptism. It was especially powerful and inspirational to learn about Jesus as priest, prophet, and king."

—Diana, OR

"A great reminder that children will imitate what they see and hear. As parents, we must walk the walk, not just talk the talk."

—Mary, OH

"This made me realize I want to live my baptismal life more clearly!"

—Ceci, CA

"It is reasonable to question the purpose of infant Baptism, since infants cannot consciously choose to follow Christ. The professors succinctly explained to lay men and women the theological precedent regarding infant Baptism. Catholic theology is beautiful, and presenting it in an intellectually accessible way—like in this series—is key to the future of the Church."

—Mireille, MA

"Very helpful! From the beginning, it really opened my heart to what God expects from us."

—Susan

"This brought tears to my eyes.

God is great! Thank you for breaking it all down and showing us how blessed we are."

—Chris, FL

"Wonderful and informative series.

Everyone should watch this! I absolutely loved the meaning and description of our role as priest, prophet, king, and how we should

guide our children. I have a greater understanding of the process of Baptism and the meaning behind the rituals."

—Erin, AZ

"This is such a powerful example of teaching in modern times! As a three-time godparent, this is the first time I took the class in the video format and I loved it. So moving and full of rich and inspiring information."

—Shawna

"I'm just starting my journey into the Catholic Church. I have never been much of a churchgoer, and I wasn't raised in a church. The more I learn, the more I want to be Catholic."

—David, ID

"The quality of production and presenters is notable and appreciated. The pace and tone were great, and citations and showcase of art were useful and beautiful. As a future godparent, I feel this is a great foundational instruction on the gravity and gift that the Sacrament of Baptism is."

—Elizabeth, CA

"Very well done! It explains Baptism clearly and concisely. We are excited for our little baby!"

—Sarah, MO

"Very informative and interesting."

—Trisha, ON

"I AM AT A LOSS FOR WORDS AS TO HOW POWERFUL *REBORN* IS. CLEARLY, THE HOLY SPIRIT IS AT WORK AT THE AUGUSTINE INSTITUTE!"

"I loved the catechist episode for giving the do's and don'ts of planning how to use *Reborn* in Baptism preparation. As a teacher and as someone on a parish Baptism prep committee, hearing the structure options for how to do the work with excited new parents was very helpful!"

—Danielle, NY

"A great help in evangelizing expectant couples! It is clear and spells out canon law. The presentation for godparents is worthwhile for any Catholic, as we often find ourselves fielding questions. This validates the Church directives that are in place."

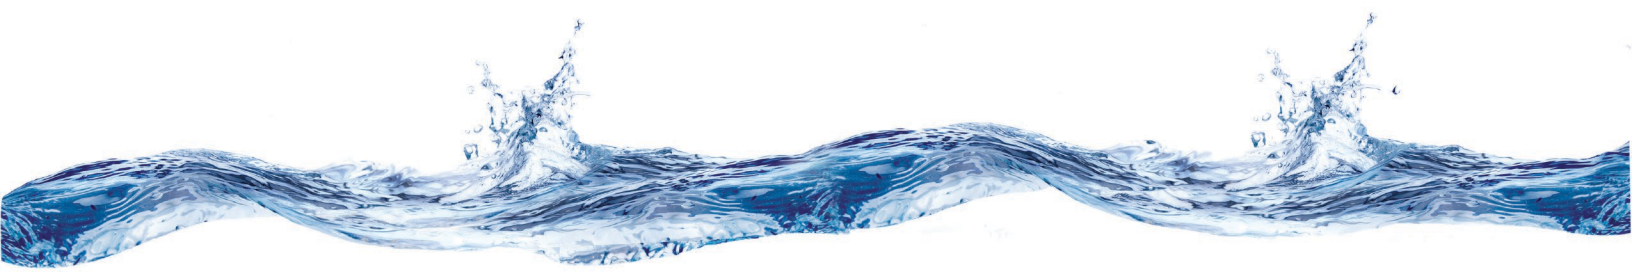

—Stu, NY

"I loved the explanation of the history and meaning surrounding Baptism in light of the Old and New Testaments. It was very thorough and super helpful to see the history and meaning surrounding Baptism."

—Elise, NY

"This is deeper learning for me. It all begins with Baptism, and water is the key that opens the door to new life."

—Ngunge, MN

"I am at a loss for words as to how powerful *Reborn* is. Clearly, the Holy Spirit is at work at the Augustine Institute. I am reeling at the beauty, love, and splendor of God's work here. This is the New Evangelization. I pray it is widespread!"

—Daniel, WV

"It was inspiring when this episode highlighted the role of the parents and godparents in the baptized life long after the rite is over. I especially loved the part where the presenters sent shout outs to their godchildren."

—Hannah, CO

"I love how they relate the idea of Baptism to the many stories that led up to the era of Christ himself. I'm becoming a godparent soon, and watching these videos brought great enlightenment to me!"
