## **Year of Parish Revival**

### **Recommended Parish-Wide Plan**

#### **“Jesus and the Eucharist” Parish-Wide Study**

Rallying your parishioners into small group studies that are done in an intentional and strategic way is essential to see the whole community come alive with Eucharistic fervor. During this Parish Year of the Eucharistic Revival (June 2023 – July 2024), the USCCB is encouraging every parish to use the study, “Jesus and the Eucharist,” for small groups. This study consists of the last four episodes of “The Search,” which is a joyful proclamation of the Gospel, and the three episodes of “Presence,” which explains the Church’s teaching on the Eucharist in a dynamic and engaging way. The study will also come with a downloadable PDF which you can print and distribute to your parishioners leading up to the study.

In the fall we recommend getting the whole parish to go through this series in small groups. In the Spring, during Lent, we recommend fulfilling the USCCB’s call to “Invite One Back” by having parishioners invite people who have fallen away from the Catholic Church or who have never been Catholic, to come to their small groups and do this study with them. The hope is that after being in the community, hearing the Gospel, and learning of Christ’s Real Presence in the Eucharist, each person will be drawn back into full communion with the Holy Catholic Church and set on fire with Eucharistic charity.

#### **Additional Studies Throughout the Year**

In addition to “Jesus and the Eucharist” we encourage parishes to utilize our series on the Sacrament of Reconciliation, “Forgiven,” during the season of Advent so they will be prompted to get into a state of grace to fruitfully receive our Lord in the Eucharist. In the Spring, during Easter, after going through “Jesus in the Eucharist” for a second time, we encourage the groups to go even deeper through a bible study with Dr. Brant Pitre called “Lectio: Eucharist.” This 10-week bible study would start on Divine Mercy Sunday and end on the feast of Corpus Christi 2024.

While this plan includes four small group studies, we have many more parish-wide studies that are great for your parish.
